CENTRAL VALLEY REGION

NOTICE OF PUBLIC HEARING
Concerning
TENTATIVE RESCISSION OF WASTE DISCHARGE REQUIREMENTS
ORDER 99-037
FOR
STEPHEN J. SCHUSTER
DBA
PHEASANT LANDING II
BUTTE COUNTY

Stephen J. Schuster operates a wastewater treatment system (Facility) for the Pheasant Landing II housing development, Butte County. On 12 July 1999, the Regional Water Board adopted Waste Discharge Requirements (WDRs) Order 99-037 to regulate the discharge from the Facility.

The State Water Resources Control Board (SWRCB) adopted Water Quality Order 2014-0153-DWQ (General Order) for discharges to land from small domestic systems with a maximum average daily flow of 100,000 gallons or less. Because the Discharger's facility falls into the category of facilities that may be covered by Order 2014-0153-DWQ, Central Valley Water Board staff requested the Discharger submit an application for coverage under Order 2014-0153-DWQ. The Discharger informed Central Valley Water Board staff that no significant changes were made to the wastewater treatment system since the adoption of WDRs Order 99-037.

On 9 December 2019, the Central Valley Water Board issued a Notice of Applicability to the Discharger, to enroll them in the General Order; therefore, WDRs Order 99-037 is no longer required. The Central Valley Water Board will consider rescinding WDRs Order 99-037. A public hearing to address this matter will be held during the Central Valley Water Board meeting which is scheduled for:
